See package pages for payment plan options.

- **Single sessions are available if a package doesn't meet your needs: \$150 for 30 minutes. Additional time and any pre-reading prior to the meetings is prorated at a \$300 hourly rate. If the session is about to exceed the time limit, if the college coach has time, they will ask you if you want to continue or stop. If you opt to continue, here is how billing works. If the session went 65 minutes, the cost would be \$325, but if the session went 64 minutes, the cost would still be 60 minutes, so we bill in five-minute increments, but we round down and not up.⁷**
- Additional wellness counseling is available at \$125 per session.
- Additional Spanish and chemistry tutoring is available for \$75 per session, and bulk rates apply for five, ten, or twenty sessions.
- If our pricing presents a financial challenge, we may be able to help. Reach out to us for details.

¹ Initial consultation to discuss services offered. Initial consultations are offered for every service except for hourly clients. The complimentary consultation is for discussing your student's needs and our services. It is not the place to ask questions like, What should I be doing this summer, or Who should I ask for my recommendation letters. Questions like those can be answered by booking a 30- or 60-minute paid consultation session.	² May be used within the 6 hours of coaching sessions.
³ We listed the monthly price, but you DO NOT pay this plan monthly. You multiply the monthly cost by the number of months you want service, and you pay the full amount or use one of our payment plans.	⁴ Four hours of one-on-one SAT/ACT test prep or 90 minutes of SAT/ACT prep with detailed score diagnostic.
⁵ Unused hours for the month or week do not roll over. There is a max of one session per day, per family.	⁶ Prices listed are for payments upfront; payment plans have additional fees between \$200 - \$500; see the website for details.
⁷ A comprehensive list of recommendations of the colleges you should apply to is not included in hourly sessions; the Bronze Plan is our plan that provides this.	⁸ Grammar reviews for essays, other than the personal statement, are billed at ten cents per word. This is included in Gold and Platinum plans without any extra fees.
⁹ Grammar reviews only when content feedback is given by your School Match 4U coach.	¹⁰ Highland Abilities Battery administration available with Dr. Lisa Rouff for \$800.
