- ***Single sessions are available if a plan doesn't meet your needs:*** ***$150 for 30 minutes. Additional time and any pre-reading prior to the meetings is prorated at a $300 hourly rate. If the session is about to exceed the time limit, if the college coach has time, they will ask you if you want to continue or stop. If you opt to continue, here is how billing works: If the session went 65 minutes, the cost would be $325, but if the session went 64 minutes, the cost would still be 60 minutes, so we bill in five-minute increments, but we round down and not up.***[2]

[1] We listed the monthly price, but you DO NOT pay the Gold Plan monthly. Multiply the monthly cost by the number of months you want service, then pay the full amount or use one of our payment plans.	[9] Grammar reviews only available when content feedback is given by your School Match 4U coach.
[2] A comprehensive list of recommendations of the colleges you should apply to is not included in hourly sessions; the Bronze Plan does provide this service.	[10] Highland Abilities Battery assessment is available as a standalone service for $800.
[3] Initial consultation to discuss services offered. Initial consultations are available for every service except for hourly clients. The complimentary consultation is for discussing your student's needs and our services. It is not the place to ask questions like, "What should I be doing this summer," or "Whom should I ask for my recommendation letters?" Questions like those can be answered by booking a 30- or 60-minute paid consultation session.	[11] Choice of Highlands Ability Battery assessment or International Colleges Upgrade: three hours of one-on-one time with an international admissions expert, with five international universities recommended.
[4] Hours per month start on the 1st of every month and reset monthly. Additional hours bill at the hourly rate. Most families do not need more than two hours per month.	[12] International Colleges Upgrade: three hours of one-on-one time with an international admissions expert, with five international universities recommended. May be added to any plan for $695, with that fee credited toward An Education Abroad's full-service fee if you choose to continue.
[5] Unused hours for the month or week do not roll over. There is a max of one session per day, per family.	[13] Additional Spanish and other subject tutoring is available on a per session rate, and bulk rates apply for 5, 10, or 20 sessions. See Supplemental Services for rates.
[6] May be used within the 6 hours of coaching sessions.	[14] Additional wellness counseling is available at $125 per session.
[7] Four hours of one-on-one SAT/ACT test prep or 90 minutes of SAT/ACT prep with detailed score diagnostic.	[15] Prices listed are for payments upfront; payment plans have additional fees between $200–$500. See our website for details.
[8]Grammar reviews for essays, other than the personal statement, are billed at 10 cents per word. This is included in Gold and Platinum plans without extra fees.
